FALL BULBS - QUICK SHIPMENT

THE BUYER AND SELLER AGREES THAT THE SELLER GIVES NO WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRODUCTIVENESS OF THE STOCK HEREBY OFFERED, AND ITS RETENTION FOR TEN DAYS AFTER RECEIPT BY THE BUYER WITHOUT COMPLAINT IN WRITING, CONSTITUTES A DEFINITE ACCEPTANCE THEREOF BY THE BUYER. ALL GROWING STOCK IS OFFERED SUBJECT TO CROP.

Leading varieties of FALL BULBS will sell out early. There will be no late cheap surpluses - short crops and conservative stocking of domestic bulbs, and Holland Government regulations which prohibit exportation of Dutch Bulbs on consignment will prevent surpluses here.

Quality was never better. Daffs are fine big solid bulbs. Our Tulips are oversize, though we call them top size #1. Some of our Darwins measure up to 14 to 17 c/m circumference. Prices are still low in spite of rising tendencies and unfavorable foreign exchange rates.

With the above facts in mind plus the confident expectation of better business the coming season, is there any good reason why you should not completely cover your needs now?

Yours truly,

J. Edg. Hutchison & Co.
